Cryptocurrencies are basically digital assets. It is secured by cryptography..

Can crypto really replace your bank account?

From direct deposit to earning yield, key ways crypto can help you take control..

contact@globletradecif.com (<mailto:contact@globletradecif.com>)

CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. 80% of retail investor accounts lose money when trading CFDs with this provider. You should consider whether you understand how CFDs work and whether you can afford to take the high risk of losing your money.

Globletradecif.com is a company regulated and authorized by CySec (Cyprus Securities and Exchange Commission) with license number 3899, with registered office in Strovolos, Cyprus.
