Risk warning Forex trading is highly speculative and carries a level of risk that may not be suitable for all investors. You may lose some or all of your invested capital. Therefore, you should not speculate with capital that you cannot afford to lose. You should be aware of all the risks associated with Forex trading. Please ensure that you read our Terms and Conditions and our Risk Disclosure before performing any transaction on our trading platform. We reserve the right to cancel all or any client agreements in the event of front-running or other suspicious activities without notice.
