Note on major risks:

Trading can bring significant rewards, but it also carries a risk of partial or total loss of funds and should be taken into account by first-time investors.

#ANFcap and any other trade names used on the site are for commercial purposes only, and do not refer to any specific company or specific service providers.

The video is presented for commercial and illustrative purposes only, and all participants are actors.

Read the investment platform's terms and conditions and disclaimer page carefully before investing. Users should be aware of their individual capital gains tax liability in their country of residence. It is illegal to solicit U.S. persons to buy and sell commodity options, even if they are called "predictive" contracts, unless they are listed and traded on an exchange registered with the CFTC or are otherwise legally exempt.

The Financial Conduct Authority ("FCA") has issued Policy Statement PS20/10, which prohibits the sale, promotion and distribution of CFD contracts on Crypto assets. It prohibits the dissemination of marketing materials relating to the distribution of CFDs and other financial products based on cryptocurrencies and which are addressed to UK residents.

By submitting your personal data herein, you consent and authorize us to share your personal information with third parties providing trading services, as provided in the Privacy Policy and Terms and Conditions.

It should be noted that there are various trading options that the trader/user can use – using trading software, employing human brokers, or making their own trades and it is up to the trader to choose and decide which is the best way for them to trade.
