WHY CHOOSE US

Securing Your Digital Future

Advanced Crypto Forensics

We leverage state-of-the-art blockchain analytics to trace stolen or lost crypto assets across global networks.

BROKERDEFENSE.NET — VERSION LIMITÉE

Legal Expertise That Delivers

Our team includes top-tier legal professionals specializing in crypto litigation, arbitration, and asset recovery.

Trust, Transparency & Results

We operate with full transparency and client-
confidential, and in capable hands.

It wasn't your fault – but it's your move now. Take action before it's too late.

Get My Free Case Check – No Win, No Fee

OUR SERVICES

Unlock Your Digital Protection with Our Expert Services

We provide a full suite of legal, investigative, and blockchain-based solutions to help you recover, protect, and secure your crypto assets. Whether you're an individual investor or a business, our team has the tools and experience to support you.

Smart Contract Investigations

We audit and analyze smart contracts involved in fraud, errors, or breaches to support legal action or dispute resolution.

Asset Tracing & Recovery

Using advanced blockchain forensics, we trace stolen or lost crypto assets across wallets, mixers, and exchanges.

Identity Verification Support

We help build decentralized and verifiable identity profiles for legal claims and regulatory compliance.

Governance & Dispute Advisory

Expert advice on DAO governance, on-chain voting, and legal pathways for decentralized decision-making conflicts.

Oracle & Protocol Dispute Resolution

We support disputes involving price oracles and automated triggers within DeFi ecosystems.

Security & Legal Risk Audits

Comprehensive audits that combine cybersecurity and legal exposure assessments to protect your digital assets.

If you've fallen victim to a scam – whether it's Crypto, Forex, Romance, or another fraudulent scheme – you're not alone. Victims often feel shock, shame, and frustration, but time is critical.

Our proven process helps you fight back: First, we review your case. Next, we investigate and gather evidence. Finally, we pursue recovery with every available resource.

FAQ's

How much does the policy cost?

Option A – If purchased before the event (pre-Lost):

The basic policy costs 8,000 CAD + 12% IPT

Total premium payable 8,960 CAD

Option B – If purchased after the event:

25,000 CAD + Insurance Premium Tax (IPT) at 12% + Broker Fee 5,000 CAD + VAT = 34,000 CAD

You will be charged a success fee equal to 7.5% plus VAT of the crypto recovery, this fee is payable on completion of the recovery and payable to Recoverx (option A & B).

What is insured?

Our unique Crypto Assets recovery policy covers the Legal Fees and Disbursements that You incur in connection with recovering Crypto Assets that You have lost as a result of fraudulent misappropriation by a third party.

Reasonable Prospects of Success

Means a written certificate from Your Solicitor within the claim form which provides a professional assessment of prospects of successfully recovering the Crypto Assets which are the subject of the alleged fraud. The prospects assessment must be at least 60% for coverage to apply and any such legal assessment will be relied upon by the Insurer. It must show a percentage and not a range. The legal assessment must also provide the Insurer with prospects of successfully obtaining and recovering a costs order (and therefore securing a return of legal fees and disbursements.)

What is not insured?

Any Covered Loss where there is a related allegation against You involving:

Dishonesty;

Failure to include the claim on a tax declaration;

Malicious falsehood;

Offences under part 7 of the Proceeds of Crime Act 2002 (money laundering offences).

Any costs and disbursements ordered against You in the proceedings.

Any loss arising from or relating to the financial failure, liquidation, bankruptcy, insolvency, receivership or administration of any Exchange.

Any loss as a result of currency exchange rate fluctuation at the time of settlement.

Are there any restrictions?

This policy shall terminate immediately:

Upon exhaustion of the Limit of Indemnity by payments made under this Policy.

If Your Solicitor with good reason refuses to continue to act for You.

You dismissed Your Solicitor without good reason, or You withdraw from the claim without Our agreement, cover will end immediately unless We approve the appointment of another Solicitor in substitution.

Your Crypto Assets have been withdrawn / encashed or sold by You.

One Covered Loss has been indemnified by Us.

TESTIMONIALS

What They Say About RecoverX

I recovered \$7,800 from a Forex scam in under 3 weeks. I never thought it was possible

James Reynolds

Cybersecurity Consultant

After losing \$12,000 in crypto, RecoverX guided me every step of the way – and got most of it back.

Sarah Thompson

Financial Analyst

Their team recovered \$9,200 from a fake investment site that I had given up on.

Michael Rodriguez

Entrepreneur

It wasn't your fault – but it's your move now. Take action before it's too late.
