trades, manage investment activity, or hold customer funds.

Stature Invexor: An Independent Marketing and Lead-Generation Website

at Stature Invexor, we champion the principle that trading opportunities should reach everyone, regardless of location. Through our website, users can review general promotional information and decide whether they wish to be contacted by an independent third-party provider.

Through our website, users can review general promotional information and decide whether they wish to be contacted by an independent third-party provider. Whether your interests lie in valuable metals like gold and silver, commodities including energy and agricultural products, diverse equities, or digital currencies, our extensive marketplace serves your investment goals. We do not provide trading infrastructure, account access, trade

execution, or portfolio monitoring. Any such services, if available, are offered solely by independent third parties.

Broaden Your Trading Scope: Revolutionary Technology for Intelligent and Protected Investments.

Stature Invexor is an independent advertising and lead-generation website. We publish general promotional and informational content and may connect interested users with independent third-party providers. Our mission is to streamline the discovery process by offering clear, accessible market insights and introducing users to independent third-party providers, where applicable. Stature Invexor does not offer trading services, act as a broker, provide investment advice, or supply financial products. Users who decide to continue may be referred or redirected to independent third-party providers, which operate under their own legal, commercial, and regulatory responsibility. With a focus on user experience and data privacy, Stature Invexor aims to help individuals identify and connect with regulated market participants through responsible marketing and informational content.

HIGH RISK WARNING: Dealing or Trading FX, CFDs and Cryptocurrencies is highly speculative, carries a level of non-negligible risk and may not be suitable for all investors. You may lose some or all of your invested capital, therefore you should not speculate with capital that you cannot afford to lose. Please refer to the risk disclosure below. Stature Invexor does not gain or lose profits based on your activity and operates as a services company. Stature Invexor is not a financial services firm and is not eligible of providing financial advice. Therefore, Stature Invexor shall not be liable for any losses occurred via or in relation to this informational website.

SITE RISK DISCLOSURE: Stature Invexor does not accept any liability for loss or damage as a result of reliance on the information contained within this website; this includes education material, price quotes and charts, and analysis. Please be aware of and seek professional advice for the risks associated with trading the financial markets; never invest more money than you can risk losing. The risks involved in FX, CFDs and Cryptocurrencies may not be suitable for all investors. Stature Invexor doesn't retain

responsibility for any trading losses you might face as a result of using or inferring from the data hosted on this site.

LEGAL RESTRICTIONS: Without limiting the above mentioned provisions, you understand that laws regarding financial activities vary throughout the world, and it is your responsibility to make sure you properly comply with any law, regulation or guideline in your country of residence regarding the use of the Site. To avoid any doubt, the ability to access our Site does not necessarily mean that our Services and/or your activities through the Site are legal under the laws, regulations or directives relevant to your country of residence. It is against the law to solicit US individuals to buy and sell commodity options, even if they are called "prediction" contracts, unless they are listed for trading and traded on a CFTC-registered exchange unless legally exempt. The UK Financial Conduct Authority has issued a policy statement PS20/10, which prohibits the sale, promotion, and distribution of CFD on Crypto assets. It prohibits the dissemination of marketing materials relating to distribution of CFDs and other financial products based on Cryptocurrencies that addressed to UK residents. The provision of trading services involving any MiFID II financial instruments is prohibited in the EU, unless when authorized/licensed by the applicable authorities and/or regulator(s).
