*Risk Notice: Trading financial instruments such as forex, cryptocurrencies, stocks, indices, and commodities involves a high level of risk and may not be appropriate for all individuals. Market prices can move rapidly and unpredictably, and the use of leverage may increase both potential gains and potential losses. You should carefully assess your financial situation, trading experience, and ability to bear risk before participating in the markets. VuxoCap provides access to trading tools and market infrastructure but does not*

*provide investment advice or  
guarantee trading outcomes.*

**Loss of part or all of your  
invested capital is possible  
when trading.**
