

GLOBAL MARKETS. ONE TRADING PLATFORM.

Access The World's Markets From One Platform

Gain direct access to a wide range of global markets through a streamlined trading platform. Primevex brings together international market coverage, stable technology, and transparent trading conditions, enabling confident participation from a single, regulated account.

A clear and structured path to
accessing global financial markets through one platform.

How Does **It Work?**

1

Create Your Trading
Account

2

Fund And Prepare

Deposit funds and explore available instruments, platform tools, and account settings before entering the markets

3

Access The Markets

Trade across multiple global asset classes using real-time pricing, advanced charting, and precise order controls.

4

Monitor And Manage

Track positions, review account activity, and manage exposure using integrated platform tools.

A Trading Environment Built For Focus

Effective participation in global markets requires reliable systems, accurate information, and consistent execution. Primevex provides a trading environment structured to support informed decisions across evolving market conditions.

PLATFORM CAPABILITIES

Tools That Support Confident Participation

Primevex platforms are available across web and mobile, allowing markets to be monitored and managed with continuity. Charting tools, order management features, and account oversight functions support structured engagement with global markets.

OPERATIONAL SUPPORT

Support When It Matters

Global Market Access: Access multiple international asset classes through a single, unified trading account.

Platform Reliability: Trading platforms are built to deliver stable access, transparent pricing, and consistent execution across market conditions.

Start Trading With A Regulated Broker

Client support resources assist with platform use, account processes, and general enquiries. Support is delivered with consistency, clarity, and adherence to established operational standards.

Primevex brings together international market coverage, stable technology, and transparent trading conditions, enabling confident participation from a single, regulated account.

This website is owned and maintained by SilverPiece Trade (“SilverPiece Trade”), a company duly incorporated under the laws of the Union of the Comoros with registration number HV01025477; license number BFX2025131.

SilverPiece Trade is authorised and regulated by the Mwali International Services Authority (“M.I.S.A.”) under the International Business Companies Act 2014 and the Brokerage and Securities Act 2013 to conduct international financial services.

All trading services offered through this website are provided exclusively by SilverPiece Trade.

Risk Warning: Trading online is highly speculative, carries a high level of risk and is not appropriate for every investor. The contents of this website should not be construed as investment advice. Before deciding to trade on the platform offered by this provider, you should carefully consider your objectives, financial situation, needs and level of experience, and consider seeking independent professional advice. By trading, you may sustain a loss of some or all your invested capital, so you should not speculate with capital that you cannot afford to lose. You should be aware of all risks associated with trading on margin. Please read the full Risk Disclosure Statement and Terms and Conditions. We do not guarantee any profit from trading, or any other activity associated with the website. Please note that you do not gain access, rights, or ownership in the underlying assets, but are merely exposed to asset price fluctuations. If you do not understand the risks involved, or cannot afford to take such risks,

you are not advised to trade with us. We do not provide any trading advice, recommendation, or guidance, whether in connection with the services or otherwise. Any trading decision is your exclusive decision, at your own risk, and SilverPiece Trade is not liable for any loss suffered. You should always consult your own legal, financial, and/or tax advisors for advice and assistance.

The Company has taken and will continue to take care that all the information provided on this website is true and correct.

The Company cannot warrant that this website, or any content herein is error-free and therefore disclaims any liability for, any loss, liability, damage (whether direct or consequential) or expense of any nature whatsoever which may be suffered as a result of, or which may be attributable, directly or indirectly, to the use of or reliance upon any information, links or service provided through this website.

There is no warranty of any kind, expressed or implied, regarding the information or any aspect of this service.

Any warranty implied by law is hereby excluded except to the extent such exclusion would be unlawful.

Please Note: Leveraged trading products are complex instruments and come with a risk of losing money rapidly due to unmonitored leverage. Most retail investor accounts lose money when trading with this provider. You should consider whether you understand how any of our other products work and whether you can afford the risk of losing your money.
